#### **EXPERIENCE BACKGROUND**

List each period of employment in chronological order and use a position block for each employer or for each time that you had a significant change in duties and responsibilities. The last block is the summary of your complete surveying experience history. ONE LINE IS NOT SUFFICIENT. Experience acceptable for licensure as a land surveyor must be progressive and diverse and include, as a minimum, the following aspects of land surveying: Field experience should include field measurements with a variety of instruments, discovering and interpreting boundary evidence, staking line and grade and field procedures for topographic mapping. Office experience should include traverse closure and adjustment, survey accuracy and quality control of field data, state plane coordinate computation and translations, boundary evidence analysis and resolution with record title, drafting plats and writing descriptions of surveys and knowledge and understanding of the subdivision process. Research experience should include familiarity with the county record filing process, including deed research in county registers' offices and tax assessors' offices, along with plans and records held by state and county highway departments and utility departments. The applicant, during his work history, is expected to have acquired experience in the overall management of surveying projects, to include, a high degree of integrity in the practice of surveying, understanding and following a code of ethics, interpersonal communication skills, project planning and scheduling, and safeguarding the health, safety and welfare of the public in daily work activities. EXPERIENCE CANNOT BE ANTICIPATED. YOU MUST HAVE THE REQUIRED EXPERIENCE WHEN YOUR APPLICATION IS SUBMITTED.

VERIFICATION OF EXPERIENCE – The most recent 24 months or your experience must be verified using the Experience Verification Form, is to be completed by you and the Land Surveyor in Responsible Charge of your work, and forwarded to the Board office separately.

15. References – All licensed surveyors verifying your most recent 24 months of experience are considered a reference and must be listed below. If less than three are required to verify your experience, you must provide references from other licensed surveyors that have some familiarity with your character, knowledge, skills and competence for a total of three references. An Experience Verification Form must be sent to those listed as verifiers of your experience and a Reference Form must be sent to those that are not verifying your experience. Check the names as to whether they are providing experience verification or a reference and list the state and license number of the person listed.

| NAME | VERIFIER | REFERENCE | STATE OF PLS<br>LICENSURE AND<br>LICENSE NUMBER |
|------|----------|-----------|---|
|      |          |           |   |
|      |          |           |   |
|      |          |           |   |

NOTE TO APPLICANT: It is your responsibility to see that the experience verification forms and the reference forms are returned DIRECTLY to the board office. This application will not be considered until all transcripts, Experience Verification Forms, Reference Forms and verification of any exams are returned. This office will not be responsible for the delay of any information pertaining to your application caused by the mail service or by your references. Providing a stamped board addressed envelope to your references and verifiers will expedite this process.
